

Whether recovering from an illness, mourning a loss, or adjusting to life with an infant, sometimes we just need a little reminder that our community cares. That's why we're organizing a new initiative to deliver pre-made soup and challah to congregants in need!

Interested in helping out? No commitment required! Rather than forming a committee, we are hoping to have a large group of volunteers willing to help out occasionally by picking up pre-made soup and challah from the synagogue kitchen and dropping it off to a family in need, when they have a free afternoon. [Sign up](#) to be included on our list of volunteers who will receive no more than one email per week, with opportunities to fulfill this mitzvah, at your convenience.

Questions? Know someone who could use a warm reminder that Tifereth cares about them? Be in touch with [Rabbi Braver](#) or our volunteer coordinator, [Susan Sitrer](#).

Over the course of the year, we'll also be offering opportunities to join together to make a large batch of soup, which we'll freeze and distribute to community members who could use a reminder of the warmth and love of our shul. Be on the lookout for more information soon.
