Cantor Chomsky to Become Cantor Emeritus Next Fall

Cantor Jack Chomsky | jchomsky@tiferethisrael.org

It was announced at Kol Nidrei services that I will be concluding my professional career with Congregation Tifereth Israel at the end of the holidays next fall, and then becoming Cantor Emeritus.

This understanding has been in the works for a while, and I'm so grateful for the 37-plus years that I've had the honor and blessing to serve our congregation and community. Wow! What a great journey it has been! Thank you for everything that you have done for and with me and my family. We look forward to planning some special events in the year ahead.

In the meantime, it also means that we are entering a final round of certain opportunities – like the Adult B'nei Mitzvah Program that starts on Monday, November 18. We'll be meeting on first and third Mondays (6:30 to 8:00 pm), leading up to a special Shabbat celebration on May 30. Dozens of people have joined together to stretch themselves and build community with others doing so in past cohorts. For those who have said, "I'd like to do that someday," this is a special last chance to do it with me, and I hope you'll take the plunge. Don't worry about what skills you don't yet have. I will make it work for you. Ask any "alumnus."

There are additional learning opportunities I hope you'll consider. On the second and fourth Mondays,

starting November 25, from 6:30 to 8:00 pm will be a first-ever course developed by the Milken Archive of American Jewish Music. It's a fully-drafted curriculum with audio and video clips interspersed, covering subjects like what Jewish music is, the art of prayer, Yiddish music as a Reflection of the American Jewish experience, and more. The Archive was organized in 1990. It comprises over 600 recordings of over 200 composers and many interviews, oral histories, photos, videos, and more. The curriculum was developed by the Milken Archive in partnership with UCLA, the Cantors Assembly, and the American Conference of Cantors. They call it, "Stories of Music." I call it, "I Can't Believe My Ears!" Whatever it's called, it will be well worth the time.

Finally, I'm connecting with the synagogue's successful and beloved Dinner, Drinks & Drash series on Wednesday evenings to offer, from 7:30 pm to 8:30 pm, following the dinner and lecture, the opportunity to sing together as a community. "Sing Tifereth!" will take place on the first Wednesday of the month. We will sing a mix of familiar and not-so-familiar, some of it relating to the lecture topics of that evening's DD&D experience, sometimes to the time of year.

I am looking forward to seeing you soon!

Annual Kol Nidre Campaign

The annual Kol Nidre giving campaign supports Tifereth Israel's high-quality programming, services, education, and pastoral care and ensures no one is ever turned away for the inability to pay. The campaign is the congregation's largest fundraiser of the the year and is continuing through the fall months. If you have already submitted your pledge card, thank you. If you have not, please take a moment to do so or make your gift online at bit.ly/5780KolNidreCampaign.

For more information or to discuss your gift, please contact Tifereth israel Executive Director Steve Friedman by phone at 614-928-3269 or by email at sfriedman@tiferethisrael.org.

Why I Love Tifereth Israel

Sheila Chodosh When Lou and I moved to Columbus in 1975, there was really not any question about which synagogue we would attend. Our closest friends here were Terry and Robin Covell. Anne Covell, Terry's mother, was Tifereth Israel's administrator. A year or two after we arrived, Paul Rehmar showed up at our apartment to tell us why joining the shul would be a good thing for us. He was right. We met wonderful, lifelong friends who became "family." We have shared good times and bad. Our wonderful clergy have been with us during those times: Harold Berman was the "first" Rabbi (my Rabbi!) to call my aunt's house in New Jersey when my father died; Michael Ungar was at our nephew's funeral (he just happened to be in the Baltimore area at the time); Harold, Cantor Jack Chomsky, and Michael were with us for Samara and Seth's namings, b'nei mitzvah and weddings.

Tifereth Israel has allowed me to develop my leadership skills and to grow Jewishly. I am proud, honored, and humbled by having been allowed to serve as this congregation's president and to have served on its Board for more years than I can count. Thanks to Jack Chomsky and a wonderful group of women with whom I shared an Adult B'Not Mitzvah, I could comfortably wear a kippah and a tallit and read Torah as I stood on the bimah as president.

Tifereth Israel is a special place. I am excited as we enter into a new chapter in its history under the leadership of Rabbi Hillel Skolnik and I am energized by Rabbi Hillel's vision for our future.

One Year After Synagogue Shooting, Concert Draws a Crowd

On Sunday, October 27, Tifereth Israel hosted a community concert in recognition of the first year that has passed since a mass shooting at Tree of Life synagogue in Pittsburgh took the lives of 11 people and left six more severely injured. The multi-faith event included performances by dozens of singers from a Jewish communal choir coordinated by Allan Finkelstein and Cantor Jack Chomsky, the First Congregational Church, Fort Hayes High School, the New Faith Baptist Church of Christ & Friends. A special adhaan and greeting was presented by representatives of the Abubakar Assidiq Islamic Center. More than 500 people from across the faith community attended the event.
